To talk more about the closure, we have special guest graduating Bilal Dogar.	Fade 2	Ready 1	1	MS		00:05	01:00
Bilal, tell us more about this sudden closure's impact on you.	Take 1	Ready 3	1	CS		00:05	01:05

Thanks for having me. I'm supposed to be this years valedictorian and deliver a speech guaranteeing my admission into Harvard law school. This sudden closure is immediately after the tuition refund deadline, and no degrees will be conferred. I'm just wondering how this could be legal?	Take 3	Ready 1	2	CS	switch cameras a bit here	00:20	01:25
What a great question. With an answer you could've learned. However, as the smartest person in the no-longer graduating class, do you listen to the joe rogan experience?	Take 1	Ready 3	1 2	CS		00:10	01:35
frankly, I'm glad you brought him up. With no liberal agenda, and simply two bros being bros on each episode, unless you're a based woman-hating woman, I learned the ins and out of how to simply follow orders, and become a sheep led by the blind. I even scored a perfect 100 on my lsat, after learning logic from Ben Shapio.	Take 3	Ready 1	2	CS	again, switch up cameras	00:25	02:00

wow well okay, I don't think that's how it is scored	Take 1	Ready 2	1	CS		00:04	02:04
but thanks so much for coming on the show	Take 2	Ready V	1	WS		00:04	02:08
We'll be right back after the break with guest mayor eric adams to talk about his latest diss track against Kathy Hochul.
